Holiday Club

Our building Contractors (Bowmer & Kirkland) have advised us that they will use the holiday period in (February, Easter & May) to increase the speed of construction. This will mean limited access to our site and hence we will be unable to offer any holiday provision until we have moved into our new building. We apologise in advance to those parents who would have considered using this provision.

My Maths - Year 1

Can parents please ensure that children are completing the tasks independently as this provides us with a clearer picture of areas where they require further support from us.

Reading Eggs

We have found that a number of children are still not regularly accessing their reading eggs programme. We advise that children log in at least 3 times a week as it will help them with a range of Literacy skills. Children should carry out the tasks independently as it is a personalised programme.
