

Dear Parents,

It was lovely to see all the children return after the Easter break! The children and staff have had a great first week back and are looking forward to an exciting term ahead!

Please see below important information and dates for the coming weeks.

Paid Enrichment Clubs

Please note that all enrichment clubs will commence from next week apart from Bollywood Dance Club

If you have not done so already, please ensure that you have topped up your child's Scopay club account.

Unfortunately your child will not be able to continue attending the club if their Scopay account is in deficit.

Thank you for your co-operation with this.

Tuition Club

Please note that Tuition Club payments must be paid directly to Mr Mistry and should NOT be paid via Scopay.

Scooters/Bikes

We would like to remind you that if your child rides a scooter or bike to school, you must park it under the bike sheds, near the main school entrance. Wherever possible please keep them locked too.

These should only be left here for the duration of the school day. Please DO NOT leave anything overnight or over the weekend as this would be left at your own risk.

We appreciate your support with this greatly!

Go Green

Walk to School or Park and Stride?

We encourage families to walk to school wherever possible.

If you do need to drive to school, we would like you to try to 'park and stride'. By walking from home, or parking a short distance from the school and walking the rest of the way, you have the opportunity to walk, talk and have fun on the way to and from school.

Park and stride schemes help to reduce congestion around the school gates and provide a route where our children can be active, healthier, and happier.

The scheme benefits children by:

- Making it safer around our school entrance by reducing traffic
- Helping to improve the air quality around our school
- Enjoying 'active outdoor time' with family or friends, which is great for our physical and mental health
- Giving children the opportunity for physical exercise at the start of the day which helps be alert and ready to learn.

Healthy Recipes

Are you looking for something new to cook for, or with, your children? Please have a look at the links below, which include a wide variety of tasty and healthy meals!

After School Club Collection

Our school office will close at **4.30pm**. If you are picking up your child from After School Club after this time, please use the bell at the school office entrance, and Mrs Mahal will come to meet you and fetch your child from the club.

If you have rung the bell and there is no answer please kindly call 07814 021729. This will only be necessary on the occasions that the children are taken outside to play. We appreciate your patience and support with this.

Bringing Children to School

Your child should arrive at school by **8.45am**, the school gate opens from 8.35am so you can drop your child at their year group entrance from this time onwards. Please ensure you support your child by ensuring they arrive on time and ready to learn. Any late arrivals should need to report to the main school office.

If your child is going to be absent for any reason, please inform the school office by **8.30am** using our automated telephone service and choosing option 1.

If you need to drop your child off earlier than 8.45am, please book them into our Early Birds breakfast club, which costs £3 per session and includes a healthy breakfast. You can bring them to Early Birds from 8am onwards.

Collecting Children from School

Your child should be collected from school at **3.45pm** unless they are staying for an after school club. If you need to collect your child later than this, please book them into our Night Owls after school club. This costs £5 per hour, which includes a healthy snack, and runs until 5.45pm.

Lateness, at either end of the school day, is disruptive and can make the children anxious. Please make every effort to arrive at school on time to help your child have the best school experience possible. Persistent latecomers (more than three episodes) will be referred to Mrs Dokal and, if the lateness is not then resolved, will be passed onto the Education Welfare Officer for further action.

School Meals

Parents have the choice of sending their child in with a packed lunch or booking a school meal, which is freshly prepared on the premises. The cost of a school meal is £2.35 per day for children in Years 3, 4 and 5 (or free if your child is in receipt of Pupil Premium).

Please ensure your child's lunch is booked at least a week in advance using the ScoPay system, and ensure their account payment is topped up on a regular basis.

Queries for Individual Teachers

Please remember that, between 8.55am and 3.45pm, our teaching staff are busy ensuring that your child's learning is the best it can possibly be. If you need to contact your child's class teacher for any reason, please do so initially via SeeSaw.

Also find the attached the 'Communication at Edison flowchart'.

Polite Reminders Parking

We would like to say a big thank you to all those parents that have been very mindful to the local residents when parking.

Please can we urge you all to continue to support the school and be aware of not blocking local residents driveways and double parking.

Hot Chocolate

Please see attached hot chocolate winners for this week.
