We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Education Reform Act 1988
- Education (Prescribed Public Examinations) Regulations 1989
- Education (Pupils' Attendance Records) Regulations 1991
- Education Act 1996
- Education (School Sessions, Charges and Permissions Policies) (Information) (England) Regulations 1999
- Education Act 2002
- Education (Residential Trips) (Prescribed Tax Credits) (England) Regulations 2003
- Education and Inspections Act 2006
- Charges for Music Tuition (England) Regulations 2007
- School Information (England) Regulations 2008
- Equality Act 2010

The following documentation is also related to this policy:

- Equality Act 2010: Advice for Schools (DfE)
- Race Disparity Audit - Summary Findings from the Ethnicity Facts and Figures Website (Cabinet Office)

We are aware that under the Education Reform Act 1988 and the Education Act 2002 that no charge can be made for education in school hours and that every child has the right to receive free school education.

We recognise that all activities offered during normal teaching time must be made available to all children regardless of their parents' ability or willingness to help meet the cost.

We recognise the valuable contribution that the wide range of additional activities, including clubs, educational visits and residential experiences, can make towards pupils personal and social education.

It is our intention to promote and provide such activities both as part of a broad and balanced curriculum and as additional activities.

Therefore, any activity which takes place mainly during school hours or is an essential part of the curriculum will be provided free of charge.

We are aware that we are able to ask for voluntary contributions from parents when organising educational visits which will enrich the curriculum and the educational experiences of children. Under no circumstances will we pressurise parents when we make a request for voluntary contributions.

We will refund in full all contributions if an activity has had to be cancelled and if a child is absent due to illness.

We will inform parents on low incomes and in receipt of Universal Credit, Income Support, Income Based Jobseekers Allowance, support under part V1 of the Immigration and Asylum Act 1999, Child Tax Credit, the guaranteed element of State Pension Credit of the support available to them when we ask for contributions towards the cost of school visits.

We have started a crowd funding campaign in order to raise money from parents and other members of the local community, for *general maintenance of the school buildings and new play equipment*.

We understand that 'crowd funding is the practice of funding a project or venture by raising small amounts of money from a large number of people, typically via the Internet. Crowd funding is a form of crowd sourcing and alternative finance'.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
