For Action: Please share appendixes with your stakeholders

- Appendix 1: "Bulletin for Residents" is to be shared to the public via your communication networks/social media to encourage those who are symptomatic to get tested.
- Appendix 2: "Bulletin for keyworkers" is to be shared to all of your colleagues to encourage routine testing. Keyworkers in Hounslow are entitled to be tested regularly, even if they do not have symptoms, to prevent asymptomatic spread of coronavirus.
