IGNITING YOUNG MINDS FOR A BRIGHTER TOMORROW

Enrichment Week has become a much-anticipated highlight at the end of every half term, bringing energy, excitement and a real sense of occasion across all year groups. In our Spring 2 Enrichment Week PE sessions, students had the thrilling opportunity to go head to head in competitive tennis tournaments, which quickly became a standout favourite. Matches were full of determination and team spirit, with classes cheering each other on and celebrating every success.

Alongside this, archery challenges were a real highlight, giving students the chance to develop focus and precision in a supportive environment. The mix of friendly competition and new experiences created a lively atmosphere throughout. Enrichment Week not only encourages physical activity, but also strengthens friendships and leaves students with lasting memories each half term. We are already looking forward to the next one!

A big thank you to all our wonderful parents and carers for your generous support of our Easter Bake Sale. Your contributions helped make the event such a success, and it was lovely to see the community come together ahead of Easter.

Thanks to your kindness and enthusiasm, we were able to create a fun and welcoming atmosphere for everyone to enjoy. Events like this would not be possible without your continued support, and it truly makes a difference to our school community.

We would also like to take this opportunity to thank Edison Friends for organising this event for without them, it would not have been possible to hold.

IGNITING YOUNG MINDS FOR A BRIGHTER TOMORROW

Year 6 took part in an informative and engaging workshop led by a representative from Transport for London (TfL). The session focused on how to behave responsibly on the road and while using public transport.

Pupils learned important safety rules, including how to cross roads carefully, show consideration to other passengers, and use escalators correctly - such as standing on the right and holding the handrail. They also discussed what to do in an emergency, including how to respond if something like a shoelace or foot becomes stuck on an escalator. The children were highly engaged throughout the session, asking thoughtful questions and demonstrating a strong understanding of how to stay safe and respectful when travelling around the city.

This week in our Year 2 Art lesson, pupils explored the work of Henri Rousseau, focusing on his vibrant jungle scenes filled with detailed leaves, plants, and Animals. Children learned that Rousseau was inspired by nature, even though he never visited a real jungle, using his imagination to create rich, layered compositions. Linking to their Science learning on plants, pupils carefully observed different leaf shapes, patterns, and textures. They practised sketching techniques such as line drawing, shading, and adding detail to capture the unique features of plants. Using Rousseau's style as inspiration, the children experimented with overlapping shapes and repeated patterns to create their own jungle-inspired sketches. This lesson encouraged creativity while developing observational drawing skills and a deeper understanding of how artists use the natural world as inspiration. Pupils created amazing double-page spreads completing an Artist study. Well done to Year 2!

Going Over and Above

We continue to have high expectations for our pupils, playing close attention to **Using zones to self regulate** and for **Good presentation & Handwriting**. Our pupils were celebrated in our weekly Celebration HT assembly for their ongoing commitment and efforts to adhering to four school principles: Ready, Respectful, Safe and Kind.

Class	Name of the pupil	Class	Name of the pupil
Bell	Zia Rego	Bell	Zaki Ali
Newton	Mark Habib	Newton	Aryan Chavda
Watson	Arjun Sidhu	Watson	Zara Dar
Franklin	Ayah Amira Amir	Franklin	Iniyana Seyasudhan
Pasteur	Liron Almeida	Pasteur	Bhavnoor Singh
Fleming	Arjun Ramakichenin	Fleming	Arjoe Patra
Curie	Anum Safura	Curie	Zakariyah Karim
Faraday	Sarabjot Punian	Faraday	Lexie Dunsby
Carson	Samarth Gaba	Carson	Riya Shaik
Goodall	Rayan Mulla	Goodall	Dru Mistry
Armstrong	Drake Michael	Armstrong	Eva Burlacu
Jemison	Kabir Rupra	Jemison	Inayya Chadda
Hawking	Mariyah Aziz	Hawking	Ameer Al-Azam
Einstein	Valentino De Melo	Einstein	Nadia Rawa
