Curriculum update

Our Reception pupils went on a wonderful trip to Bocketts Farm, a day filled with excitement, exploration, and hands-on learning! The children fed and petted the animals, listening carefully as the farm staff explained how they care for them. The trip brought our topic book, Farmer Duck to life, demonstrating the many responsibilities of farmers. They showed great curiosity, asking thoughtful questions about life on the farm, like "how do the farmers know the animals are happy?". Our favourite part of the trip was the tractor ride, where we got to see alpacas, pigs, donkeys, and even a royal cow said to be sent from the Queen!

We are incredibly proud to share the success of Armstrong Class in the recent Young Writers competition. This exciting challenge required children to craft a complete story using just 100 words, all based around a magical theme. It was a true test of creativity, imagination, and precision—and our pupils certainly rose to the occasion!

Each child worked hard to shape their ideas into short but powerful tales filled with enchantment, wonder, and surprises. The limited word count encouraged them to think carefully about language and storytelling, and the results were truly impressive.

A huge congratulations goes to the following children whose stories stood out and have been selected for publication in a special Young Writers anthology:

Yuv Bij,	Riya Khunti,
Ansha Limbu,	Kunsha Limbu,
Kartik Kamble,	Rahima Sheikh,
Ammara Mahmood,	Mannu Arora,
Ibrahim Abdurrahman,	Lanswart Demelo,
Zoya Hanind,	Ravi Khimasia,
Evelyn Fortune,	Mariyah Aziz.

These talented young writers not only earned the honour of having their stories published in a professionally produced book—which will be available for families to purchase—but also received certificates to recognise their wonderful achievement.

This has been a fantastic opportunity to celebrate creative writing in our classroom, and it has inspired many children to continue writing and sharing their magical ideas. We are so proud of everyone who took part and cannot wait to see what stories they create next!

Year 2 Forensic Science Workshop

Year 2 had a fantastic time putting their detective skills to the test during their Forensic Science Workshop! Pupils explored the exciting world of forensic evidence, using fingerprints, footprints, and even DNA to help 'solve a crime'. They learnt about the importance of collecting different types of evidence and thought like real scientists throughout the day. The children learnt about different types of fingerprints and discovered that our fingerprints are unique! Well done to all of Year 2 for your curiosity, teamwork, and brilliant scientific thinking!

Edison Primary School has been working in collaboration with Stronger Starts Tesco in the bid to raise money for our school. We are raising money to develop our outdoor learning environments and playground spaces. Support our school by picking up a blue plastic coin and voting for us. **Voting ends on the 30th June!** All votes can be made in any Tesco Supermarket in Hounslow such as Osterley and Dukes Green- Feltham.

What a fantastic day we had at our Year 5 and Year 6 Sports Day at Wycombe House Cricket Club! The weather was kind, the energy was high, and our pupils truly shone. From sprints to relays, every child gave their best and demonstrated incredible determination, teamwork, and sportsmanship. It was a joy to see so many smiles, cheers, and supportive moments throughout the day. A huge thank you to all the staff involved in running a smooth and successful event, and to our parents and carers for your continued support. We are so proud of our young athletes

The KS1 Reading Café was a fantastic success! It was wonderful to see so many children excited to dive into books linked to their current learning. The joy on their faces as they read with their parents and peers truly highlighted the power of reading for pleasure. Events like this help nurture a lifelong love of reading, and it was lovely to witness KS1 pupils discovering and enjoying new stories. A big thank you to all the families who joined us and made the event so special – your support makes all the difference.

On Friday 20th June 2025, Edison Primary took part in an exciting Dodgeball Festival held at Osterley Sports Centre. The event brought together teams from eight schools, all showcasing great energy and enthusiasm. Our boys performed exceptionally well, displaying outstanding teamwork, resilience, and sportsmanship throughout the day. Their hard work and determination paid off as **Edison finished in 1st place**, a fantastic achievement! We are extremely proud of all the boys for their incredible effort and the way they represented our school. Congratulations to the team on a well-deserved victory—well done, Team Edison!

Parents we are pleased to announce that we will be working in partnership with Wycombe House Cricket Club in holding our KS2 Sports Days off site this year.
