Curriculum update

On Friday 12th September, our whole school came together to celebrate the magical world of Roald Dahl! The day was packed with fun-filled activities inspired by his much loved stories, and the children thoroughly enjoyed taking part in creative and engaging tasks linked to their favourite characters and books. A special Roald Dahl-themed lunch added an extra treat to the day, and every class visited the library for an exciting session full of quizzes, storytelling, and book-based challenges. It was a truly *phizz-whizzing* day for all!

On Monday, our pupils dived into their very first Kahoot Science Competition in assembly and what a buzz it was! Each class teamed up to tackle quick fire science questions, with just 10 seconds on the clock to select their answers. The hall was full of excitement and plenty of friendly competition as teams battled it out. Everyone did brilliantly, and we loved the energy that waved through the assembly hall. We can't wait to see who will be crowned winners next week!
