Edison Primary School SEND Information Report 2023 – 2024

Our School

Our School Vision

At Edison Primary, the well-being and development of each child underpins all that we do. Our aim is to develop children into confident and resilient learners, for them to develop a love of learning and to encourage them to explore opportunities to step outside of their comfort zone whilst not neglecting the need to develop wider life skills that they can use to underpin their future development.

Edison currently has 393 children on role (March 2023)

There are currently 44 children on SEND register with a range of needs from universal to specialist (11% compared with national average of 13.5%).

37 children have a diagnosis of need, that can be accommodated through quality first teaching (universal needs) or have a diagnosis of need that requires targeted interventions through QFT, and support planned by CT. (targeted need).

7 children (1.8% compared to national average at 2.5% in primary schools) have significant needs that requires support over and above in a provision (specialist need)

SEND by gender at Edison

Boys: 29 (65.9%) Girls: 15 (34.1%)

The SENDCO is Lisa Francis.

The Inclusion Lead is Harman Dev.

If you would like to contact Lisa, please call school or email her at sendco@edisonprimary.org.

Meet our SEND Team

Harman Dev can be reached via email at senco@edisonprimary.org.

At Edison Primary School, we support children with a variety of differing special educational needs, and we pride ourselves on being a highly inclusive school with an ethos which encourages and celebrates diversity and difference.

SEND is categorised into the following areas in the SEN code of practise 2014:

Special Educational Needs

Cognition and Learning
Communication and Interaction
Social, Emotional and Mental Health
Sensory and Physical

At Edison, we work closely as a team and if staff have a concern about a child, they fill in a cause for concern referral form and discuss concerns with parents and the SEND team. A child will then be placed on the monitoring register and we begin to follow the Graduated Response approach of 'Assess, Plan, Do and Review'.

After a period of 6-8 weeks we will decide if a child needs to be placed on the SEND register and invite you in for a meeting, where we will share the targets your child is working on and the support they are receiving.

Some children may require more support than is ordinarily available and we may ask outside agencies to support us in ensuring that we are offering the best support we can.

Staff us the Ordinarily Available Provision to help support children's learning within the classroom.

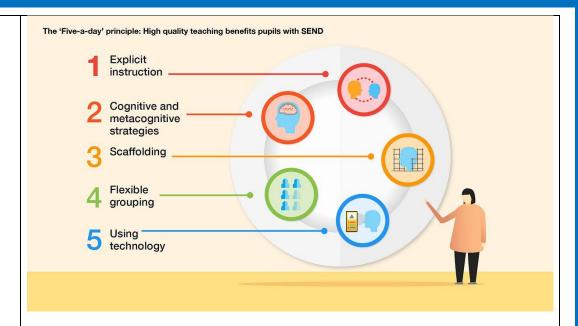

Our approach to teaching children with SEND We are an inclusive school. Children are taught alongside their peers in mixed ability teaching groups using principles of Kagan Cooperative Learning, unless they have significant needs or have sensory difficulties.

Teachers adapt their high-quality teaching to cater for their pupils' needs and plan individual timetables where necessary. When appropriate, staff are deployed to give children additional interventions in small groups outside the classroom, or to provide one-to-one support.

We use the EEF guidance 'Five-a-day' and embed the key principles into all our lessons.

We use the Ordinarily Available Guidance by the Hounslow Local Authority to complement our teaching.

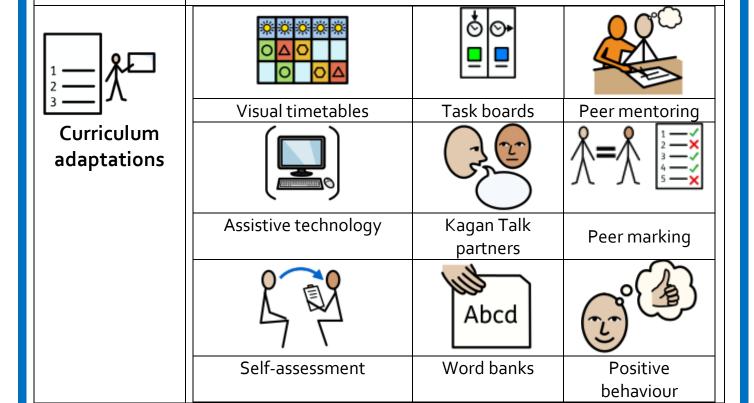

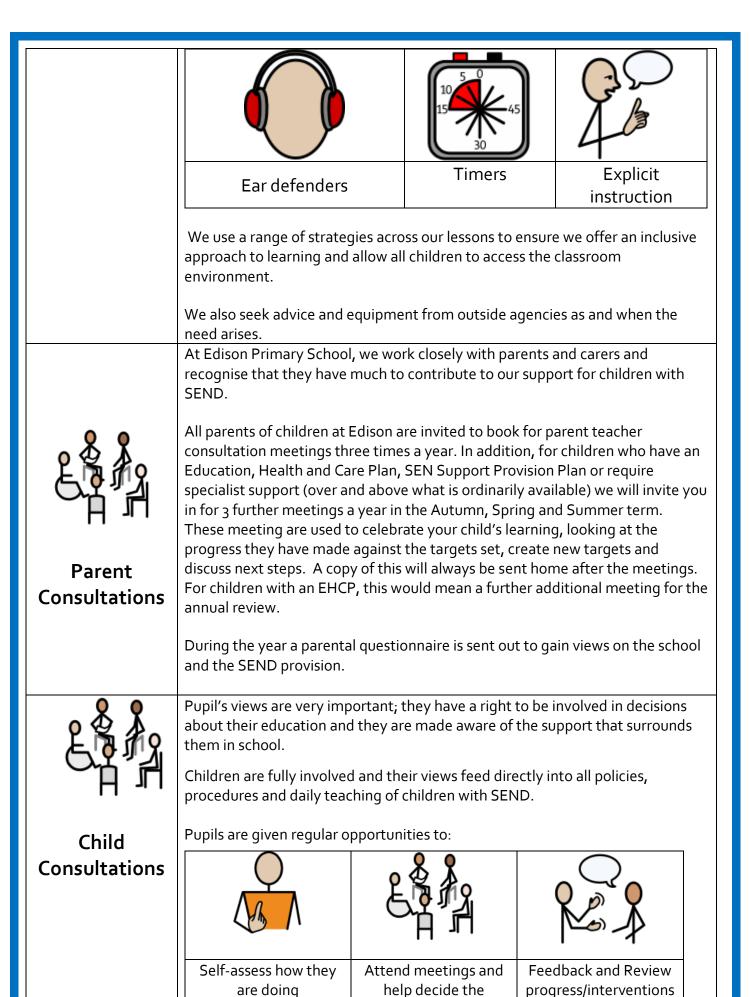

Outside Agencies We work with the following agencies to provide support for children with SEND:

Hounslow SEN Department, Hounslow Educational Psychology Service, Speech and Language Therapy, Occupational Therapy,

Visual and Hearing impairment team and Behaviour Support.

We will ask your permission before we arrange for any outside agencies to come in and work with your child. Once the feedback has been received, we will call you in for a meeting to share the advice.

support needed.

Evaluating Provision

Review progress in SLT meetings and discussing next steps.

Discuss and share ideas in staff meetings to ensure up to date research and policy is in place.

Reviewing children' individual progress towards their goals at regular intervals, as a minimum every term.

Establishing children's baseline before receiving interventions and reviewing the impact of interventions at regular intervals.

Asking our children if they feel the adjustment or intervention is helpful and makes a difference.

Monitoring by the SENDCO.

Regularly using a tracking tool to update targets and measure progress.

Holding termly reviews for children who are on Education Health and Care Plans, SEND Support Provision Plans and those requiring specialist support.

Holding annual reviews for children with Education Health Care Plans.

Staff Training

At Edison, we believe in professional development and aim to ensure all our staff have the understanding they need to enable them to support your child.

When a new member of staff joins the school, we ensure they understand the systems within school, and they are given information about the children they are working with.

The senior leadership team within school are constantly moderating needs within the school and, where an area of concern is highlighted, whole school training could be organised to ensure all staff understand specific learning difficulties and appropriate teaching or support strategies that could be utilised.

If your child needs specialist support from an outside agency, such as the Speech and Language Service (SALT), Educational Psychologist (EP), Occupational Therapist (OT) or school nurse, we will always discuss this with you first.

Some of our staff have completed training in the following areas. When staff go on a course, they have an opportunity to give feedback to the rest of the staff during staff meeting sessions.

Transition Support

New to Reception

We hold a parent and carer session in the summer term for our new reception starters, providing parents with the opportunity to meet with the class teacher, EYFS Lead, and Inclusion team.

We hold a 'taster' session in the second half of the summer term in preparation for their September start.

Transition to Reception, and then into each successive year-group, is supported by meetings, Meet the teacher leaflets and taster sessions in each new class.

End of Year transition

When children move up a year, we provide transition materials, which includes Meet the teacher leaflets with photos of the teachers and Tas. For children who need more help adjusting, we send home a social story to get used to the new classroom environment.

We hold a transition session during the summer term allowing the children to go up to their new classroom and meet their teacher.

Some children may require extra transition visits to their new classroom to help reduce their anxiety and ensure that the transition is successful and positive. This also includes circle time with the new and old teaching staff, as needed.

Class teachers and TAs meet with each other during the summer term to discuss the needs of the children and share Individual Learning Plans during handover meetings.

Secondary Transition

We liaise very closely with our partner schools to ensure that the transition from primary school to the secondary school is as smooth as possible.

Mid-Year new starters

When we are aware that pupils joining us from other settings have identified special educational needs, we arrange a meeting with the family to enable us to gain a greater understanding on the support we need to put in place.

Clubs and Trips

All our extra-curricular activities and school visits are available to all our children, including our before-and after-school clubs.

All children are encouraged to go on our trips such as residentials, including the PGL.

All children are encouraged to take part in sports day, school competitions, school assemblies and performances, workshops, etc.

All children are encouraged to apply for roles of responsibility in school e.g. school council, house group leaders, technical team etc.

No child is ever excluded from taking part in these activities because of their SEN or disability. If a child has significant needs where their participation may

	pose health and safety or safeguarding concerns, we will work closely with the parents or carers for support to make it a success for the young person.		
	Your first point of contact is your child's class teacher, followed by the phase leader.		
Complaint Procedure	If you are not satisfied that your concern has been addressed, then you may make an appointment to speak to the SENDCo, followed by the Assistant Head or Deputy Head Teacher. If they cannot solve your issue, then an appointment can be made to speak to the Headteacher.		
	If you are not happy with the response, then you may contact the governors through the school office.		
	Suvir Rai – Chair of Governors Seema Kharbanda – SEND Governor		
Hounslow	The Hounslow Local Authority Local Offer can be found at https://fsd.hounslow.gov.uk/synergyweb/local_offer/		
Local offer	Social Care: as well as general enquiries, Hounslow Social Care has a team that works with children with disabilities.	020 8583 3177

	Child Adolescent Mental Health Services (CAMHS) https://www.westlondon.nhs.uk/services/gp-information/cahms-referraladvice/hounslow-cahms/ All three services are based at Heart of Hounslow Health Centre, 92 Bath Road, Hounslow, TW3 3EL.	020 8630 3237	
	"We are pleased with how our child has settled into and the support put in place for her." "I would like to thank the teachers of Edison school for being so supportive and kind to our child and our family." Due to my child's needs identified very early on, they were able to get support very quickly which helped them make progress.
