

Reception Visit Lookout Discovery Centre

Pupil Councillors – Walk to school Campaign

Our pupil councillors ready to meet the parents at morning drop off, to make their important pledge of encouraging as many children and adults as possible to walk, cycle or scoot to school. Thank you for supporting our campaign.

An enjoyable day out!

Reception visited 'The Lookout Discovery Centre' on Thursday 21st June 2018. The children had an enjoyable day out at the Centre. They explored many hands on science activities such as launching a hydrogen rocket, playing with boats in the indoor stream and building a house of Lego with their friends! They also captured their shadows in the shadow box and played a tune with laser beams...it was so much fun to experience how exciting science is!

Sad Farewell!

Move to New Site!

After our final site meeting last week. we have been informed by Bowmer & Kirkland that as handover is after the school has finished, it will not be possible for parents and children to visit the new building this side of the summer holidays.

We would like to show our existing parents the new building before everyone else, so we would like to invite you to a tour of the site on:

Thursday 30th August 2018 at 3pm - Reception Parents ONLY

Friday 31st August 2018 at 3pm - Year 1 Parents ONLY

Please appreciate that due to the logistics of walking around the building we can only have 2 adults per family.

Please confirm your attendance via email by Friday 20th July 2018

Healthy Eating Week

During British Nutrition & Healthy Hearts Week, the children focussed on what makes a healthy diet and why exercise is important. It was lovely to see the charts of the children that completed their food diary.

Reminders

New Term begins **Wednesday 5th September 2018 at 8.45am**

Breakfast Club will run as normal at 8am and After School Club at 3.45pm.
