

## Local organic fruits and vegetables are served at Edison Primary School every day!

Our ethos at WilsonJones is to provide tasty, balanced homecooked meals to all our schools.

We believe our homecooked organic food is the most natural service we can provide.

We like to support this ethos by providing organic, local fruit, vegetables and milk in your school.

### LANGRIDGE ORGANIC

#### About Our Supplier

Langridge Organic Products is the UK's leading wholesaler of organic fresh produce.

They are involved in the wholesale and distribution of organic fruit, vegetables, eggs, milk and various other organic products to customers throughout the UK.

Andrew Cross

Run by Andrew and his wife Sarah, Goldhill Farm grow a wide range of vegetables throughout the year which as well as being available from us are also for sale in their own shop.

Andy Ward

Andy has taken over the running of the family farm in Kent from his father. He grows a broad range of organic crops, being particularly fantastic at growing beans and sweetcorn as well as having organic hens.
