

# All about me!

Hello!

It's Mrs Raman, Miss Ahmad, Miss Bhangu and Miss Sahota here. We are very excited that you are going to join us and be part of our Bell and Newton classes when you start at Primary School.

Things are a little bit different at the moment and we haven't had a chance to meet you yet.

We would love to find out some more things about you before you start school with us,

Do you think you can help your grown up to fill in this form by answering the questions below?

We can't wait to read what you've got to say.

Please add as much detail as possible to help us enable a smooth transition for your child)

My name is:

What and who is important to me?

*Including family caring arrangements – do I spend time with Grandparents or extended family?  
Any co-parenting arrangements in place?*

What are my likes? – What things do I like best?  
(toys, activities, food, people, places etc)

What are my dislikes?

What things can I do for myself, and what things do I still need help with?

*(including dressing/undressing, using the toilet, completing personal care tasks, eating and drinking etc)*
