Intent for Physical Education

At Edison Primary School, PE is delivered through the Get Set 4 PE scheme, helping every child grow in confidence, physical competence and teamwork. We want pupils to enjoy being active and to discover the value of leading a healthy, active lifestyle.

The curriculum nurtures resilience, determination and a strong sense of fair play, giving children the confidence to try new skills, keep going when things are challenging, and celebrate both individual and team success. Pupils experience a wide range of sports and physical activities, building not only their ability but also their enjoyment and love of movement.

This positive approach aims to support strong outcomes across the school, with all pupils making good progress or better.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Reception	Funadamental Movement Skills Dance	Ball Skills Gymnastics	Football Circuit Training / fitness	Tennis Basketball	Sports Day Prepartion Cricket	Rounders Games For Understanding
