### Incredible Home Learning Projects!

We are so impressed with the fantastic habitat dioramas our Year 4 pupils have created at home, including some stunning rainforest projects! Home learning projects are not only fun but also a great way to deepen understanding and extend learning beyond the classroom. A huge thank you to all the parents who took the time to support their children with these wonderful creations. Photo credits: Goodall Class – Habitats Projects

Some of our Year 2 students had the fantastic opportunity to take part in the **Hounslow Dance Festival, hosted by the Royal Opera House**. The event took them on a journey through the eras of ballet, starting with its famous origins in France. They explored iconic pieces such as *The Nutcracker* and *Alice in Wonderland*, before finishing with their own personal dance motifs. It was an inspiring experience that gave our Year 2 students a deeper appreciation for the art of dance and ballet.

### Edison's Eco Essentials Relaunch – A Huge Success!

We are thrilled to share that our first Edison's Eco Essentials shop relaunch was a fantastic success this week! Solely run by our dedicated Science ambassadors and school councillors, this eco-friendly refill shop is a testament to our students' hard work and commitment to sustainability.

Our eco refill shop helpers were carefully selected following an interview with Mrs Valentin a few weeks ago, and they have taken full ownership of the shop's operations—including inventory management, sales, marketing, finance, and purchasing. We could not be prouder of their enthusiasm and leadership!

A huge thank you to our parents for their continued support in making this initiative possible.

We are excited to announce that the shop will be open on the last Wednesday of each month, with reminders sent via email and newsletter closer to the time. Please do come along with a refillable water bottle and purchase soaps, shampoos, conditioners, laundry detergent, bar soaps and dried fruit snacks. All our supplies are vegan, organic and chemical free.

Thank you for helping us make a difference—one refill at a time!

## Curriculum update

### Year 4 and 5 Fix-a-bike workshop

Year 4 and 5 participated in a half-day 'Fix-a-Bike' workshop. The children learned essential bike maintenance skills, including how to find and fix a puncture, diagnose common issues, and troubleshoot bike problems. They also practiced removing and reinstalling the inner tube after a puncture.

In addition, the children explored the pros and cons of different modes of transportation, comparing them with bike riding. It was a fantastic learning experience, and we gained so much valuable knowledge!

### Red Nose Day at Edison Primary

Our pupils took the initiative to bake and decorate a wonderful selection of cakes, cupcakes, brownies, and muffins. The children put their skills to the test— measuring, mixing, decorating, and practicing teamwork and creativity.

It was wonderful to see them problem-solve, collaborate, and take pride in their work.

A huge thank you to Amazon for their generous donation of several boxes of supplies for our Red Nose Day fundraiser!

In addition, pupils wearing red to support Comic Relief helped contribute to our fundraising efforts. Thanks to the generosity of our school community, we raised an incredible £615!

We are so proud of our pupils for embracing the importance of charity and helping others at such a young age. A special thank you to all the parents who supported us by purchasing baked goods and to Amazon for their kind donations. Together, we made a difference
