## Curriculum update

On Friday 6th June Year 4 embarked on a thrilling adventure to Go Ape and had an unforgettable time exploring the treetop nets. They took part in the exciting *Nets Adventure*! From bouncing through giant tree-top trampolines to clambering through tunnels high up in the forest canopy, the children showed fantastic teamwork, bravery, and energy throughout the day. The trip was a brilliant way to build confidence and resilience, all while having loads of fun in the great outdoors. For many, it was a big moment as they faced their fear of heights – and conquered it with courage and determination! It was heartwarming to see classmates cheering each other on, offering words of encouragement, and celebrating every brave step taken. The day was not only full of fun and laughter but also a wonderful display of teamwork, resilience, and friendship. A truly inspiring experience for everyone involved!

The Year 5 overnight recent residential trip to the science museum was a fantastic experience for the children, filled with excitement, learning, and unforgettable memories. From the moment we arrived, the energy was high—especially as the children realised they would be having a sleepover with their friends in such a unique setting.

They eagerly chose their own sleeping spots, carefully laying out their sleeping bags exactly where they wanted to sleep. Once everyone was settled, we kicked off our first activity: *Big Bang Bingo*. The children were thoroughly engaged and had a great time matching scientific facts and terms in a fun, interactive way.

After working up an appetite, it was time for lunch. The children eagerly tucked into their food and shared a variety of snacks—many of which could be described as deliciously unhealthy! Spirits remained high as we moved on to the next two activities: creating ultraviolet torches, which fascinated them, and exploring what astronauts eat in space—a highlight that sparked many curious questions.

As the evening drew in, the excitement hadn't waned. Some children were so tired they could barely keep their eyes open, while others took full advantage of the opportunity to chat and laugh with their friends long into the night, struggling to fall asleep.

The next morning brought more excitement as the children explored the *Wonderlab*, with its many hands-on exhibits. The giant slide, in particular, was a favourite among all.

After a fun-filled and educational weekend, we returned to school, where the children were collected to enjoy the rest of their weekend at home, no doubt ready for a well-earned rest after such an action-packed trip.

Edison Primary School has been working in collaboration with Stronger Starts Tesco in the bid to raise money for our school. We are raising money to develop our outdoor learning environments and playground spaces. Support our school by picking up a blue plastic coin and voting for us. **Voting ends on the 30th June!** All votes can be made in any Tesco Supermarket in Hounslow such as Osterley and Dukes Green- Feltham.

Huge Congratulations to Valentine and Kavin in Year 5 ! They all joined Mrs Valentin for Millionaire lunch! They have continually demonstrated their deep love of reading and even made some excellent suggestions for authors and books that we can include in our school library. Well done to each one of them.

## Ks1 Reading Cafe

*Read for pleasure with your child!*

Enjoy reading a book together with some refreshments, cuddly toys and a range of books!

**Tuesday 10<sup>th</sup> June 2025**

Time: 08:30am - 09:00am  
Where: Edison Playground

Come and join our Reading Café for a relaxing reading experience on **Tuesday 10th June 2025!** We have considered a change of venue due to the weather

From **8:30am-9:00am**, you can sit with your child and share a book to read. There will be refreshments, cuddly toys and cushions to accompany a range of reading for pleasure books. Reading for 20 minutes a day will help our children to develop pace, fluency, and comprehension skills.

We look forward to seeing you there. On the day, please complete a short parent survey to help us make improvements for future reading cafes at Edison!

Parents we are pleased to announce that we will be working in partnership with Wycombe House Cricket Club in holding our KS2 Sports Days off site this year.
