## Curriculum update

On Thursday, 8th May 2025, ten children from Year 1 and Year 2 were invited to St Leonard's Church for a special service marking the 80th Anniversary of V.E. Day. It was an honour for the children to attend and take part in this important event. They reflected on the sacrifices made by soldiers during World War II and learned why remembrance matters. The peaceful setting and respectful atmosphere made the occasion even more meaningful. The children listened well, showed great respect, and enjoyed the trip. It was a memorable and valuable experience for all involved.

### Year 6 SATs – A Message of Congratulations and Thanks

As our wonderful Year 6 children finish their SATs this week, we want to take a moment to say a huge well done. We are so proud of their hard work, perseverance, and positive attitude throughout this journey.

While we now wait patiently for the results, we want to remind everyone that these tests only measure a small part of who our children are. They do not capture their creativity, kindness, resilience, humour, or the many other talents that make each of them unique.

To our parents and carers, thank you for your unwavering support, encouragement, and for always cheering your children on. Together, we have helped them to grow not just as learners, but as confident and compassionate individuals.

Whatever the results may be, they have already achieved so much. We couldn't be prouder.

Here's to celebrating their many successes—inside and outside the classroom!

### Start with Art Explorify Competition

In March, Edison Primary took part in the national Start with Art Explorify competition—an exciting initiative that combined Science and Art to inspire children to create thought provoking projects on a national scale. We were thrilled with the level of creativity and scientific understanding shown by our pupils. Schoolwide winners were carefully selected and proudly received commemorative certificates to recognise their impressive efforts. We are especially proud to share that one of our entries was shortlisted by the Explorify website itself—a fantastic achievement! Congratulations to Timofey for his outstanding work inspired by the book *Moth*, which powerfully illustrated the concepts of adaptation and survival of the fittest. His project beautifully captured the intersection of science and art, and we are incredibly proud of his accomplishment.

## Ks1 Reading Cafe

*Read for pleasure with your child!*

Enjoy reading a book together with some refreshments, cuddly toys and a range of books!

**Tuesday 10<sup>th</sup> June 2025**

Time: 08:30am - 09:00am  
Where: Edison Playground

Come and join our Reading Café for a relaxing reading experience on **Tuesday 10th June 2025** in the Edison playground!

From **8:30am-9:00am**, you can sit with your child and share a book to read. There will be refreshments, cuddly toys and cushions to accompany a range of reading for pleasure books. Reading for 20 minutes a day will help our children to develop pace, fluency, and comprehension skills.

We look forward to seeing you there. On the day, please complete a short parent survey to help us make improvements for future reading cafes at Edison!

## School Lunches, Snacks and Water

A gentle reminder to parents to ensure that you and your child book your options on Parent Pay in advance.

Please note that if you have not had time to select a meal option for your child, the vegetarian option will always be given to your child as the default option.

If you are providing a snack for your child, please can we remind parents that healthy snacks such as fruit or veg as the most appropriate options. Sugary snacks like biscuits are not appropriate.
