SHORT BREAKS BOOKING PROCEDURE – please read

This newsletter has been sent to families on Wednesday 6 March and families will be able to book Short Breaks as from the week commencing 11 March. No bookings will take place before Wednesday 13 March.

If you have any questions or are unsure which pathway your child meets, please do not hesitate to contact the Short Breaks Team on 020 8583 3636. **Please note that we are unable to do any registrations during these booking days.**

What is a Short Break?

Short breaks provide opportunities for disabled children and young people to spend time away from their primary carers. They aim to provide parents and carers a necessary and valuable break away from their caring responsibilities in order to recharge their batteries.

They enable disabled children and young people to have the chance to develop new friendships, take part in new experiences and to have fun doing positive activities like sports, music therapy, youth clubs and much more.

A short break may include a few hours, a day, evening, overnight stay, weekend or sometimes longer. It could take place in the family home, at another home or out in the wider community.

Hounslow Short Breaks team also endeavour to provide short breaks for the whole family in an environment that is sympathetic to the disabled child or young

person, for example, theatre shows and cinema screenings.

For more information, please see our Short Breaks Statement on the Hounslow website – www.hounslow.gov.uk/shortbreaks under ‘Downloads’.

If you have any queries, please do call the Short Breaks team on 020 8583 3636.

Unique Identifying Number (UIN)

If you have not already registered for your UIN, please do call the Short Breaks team on **020 8583 3636**. It is important that you do this as you will need a UIN to book onto any of the Short Breaks programme. All our Short Breaks providers (Hounslow Play team, Brentford Sports, Feltham Bees, Richmond Music Trust, Watermans, Griffin Park Learning Zone, Park Lane Stables) will require the UIN as part of the booking process. **Please note that we are unable to do any registrations during booking days.**

Hounslow Parent Carers Forum

Hounslow Parent Carers Forum is part of a nationwide organisation that helps parent and carers of children with Special Educational Needs and Disabilities (SEND). We are there to listen to you and try to support you to get help where needed.

We also discuss common issues that parent/carers have with the local authority and other organisations in order to help improve services. All of us who work for the forum have children with SEND.

We have a **Forum** once a month where we ask people from the council and other organisations or charities to come and chat to us about the service they provide and that gives you the opportunity to ask them questions also.

We are considering evening meetings for those that work.

Dates for up-coming Forum meetings are as follows:

- Tuesday 12 March – Coffee and Chat (with Short Breaks team and providers)
- Tuesday 26 March
- Tuesday 23 April
- Tuesday 21 May

Services available for children and young people aged 0-25 years with special educational needs and disabilities (SEND)

Special Educational Needs and Disability Information, Advice and Support Service (SEND IASS)

What Is SEND IASS?

Under the Children and Families Act (2014) it is a legal requirement that all Local Authorities have a Special Educational Needs and Disabilities Information Advice and Support Service (SENDIASS).

The Hounslow Special Educational Needs and Disabilities Information Advice and Support Service (SENDIASS) provides this service for parents and carers of children and young people with special educational needs and disabilities (SEND) in the borough.

This service is also offered directly to young people as well. While the service is funded by the London Borough of Hounslow (LBH), Hounslow SENDIASS works independently of the local authority.

Hounslow SENDIASS is free to use, impartial and confidential.

What we do

Hounslow SENDIASS provides independent and impartial advice based on the law and government guidance. We are able to:

- Meet with you virtually or in person to discuss your concerns or needs. Communication may also be by phone and email
- Explain how the SEND system works – for instance, accessing Education, Health, and Care (EHC) plans
- Assist you in you navigating the often-complex world of SEND
- Signpost you to appropriate local authority services, including the Local Offer
- Support you through dispute resolution and mediation processes with schools and the local authority

(NB. Where you request support at a meeting, this is subject to appropriateness, availability, and capacity)

What we don't do

Our aim is to empower young people, parents, and carers to take informed decisions around SEND for themselves. We don't however:

- Tell you what is best for you and your child
- Tell other professionals what to do
- Identify appropriate schools for your child
- Represent you at meetings, including mediation and tribunals
- Assist in the preparation of EHC or tribunal documentation
- Provide an administrative service for you, including contacting or arranging meetings for you with other professionals and form-filling
- Help with benefit claims, housing difficulties, Blue Badges etc

(NB. If your child has an EHC plan, your first contact should be your child's EHC caseworker)

You can help us by:

- Leaving a message when you phone as we do not respond to missed calls where no message has been left (We aim to respond to all enquires within 5 working days)
- Keep us updated on progress in relation to the resolution of your concerns or needs
- Let us know when your issues have been resolved

Data Protection

All the information that Hounslow SENDIASS gathers from you is securely stored electronically and separate to local authority departments. Information will only be shared with your permission. However, where there may a safeguarding concern Hounslow SENDIASS is obliged to share such concerns with appropriate professionals.

How to access our service

We are a self-refer service. Parents are able to access us directly. We are unable to take referrals from professionals.

If you would like our help, please telephone us on 020 8583 2607 or email us at sendiass@hounslow.gov.uk

Decisions R Us

Bid for up to £250 for a short break or activity!!

Please note that applications to Decisions R Us can be made every other financial year. So, for example if you apply in this financial year, ie. from 1 April 2024 to 31 March 2025, you will have to wait until after 1 April 2026 to apply again. If you have any queries, please call on the Short Breaks team on 020 8583 3636.

Last year young people in Hounslow were given the opportunity to apply for funding for their own 'personalised' short break activity. These included horse riding, swimming lessons, gymnastic classes, even rock climbing...

Once again, funds have been allocated to young people on pathway 1 and 2, aged 5 up to 18, living in Hounslow who are looking for help with a short break or activity. This can include equipment that will help them access a short break! Young people and parent/carers on their behalf can bid for up to £250 to fund their own short breaks.

The activity needs to be positive and enjoyable, that gets the young person out and about in the community, hopefully developing a hobby or a skill. We are very flexible in what can be applied for as each child has their own interests but there are some no-nos:

- No electronic equipment including laptops, mobiles, gaming consoles
- No furniture or household items
- The only holiday that could be funded would be one for the young person themselves such as a PGL holiday or a residential with a youth club.
- No Merlin annual passes

The application form is available from the Short Breaks team or from the downloadable documents on the Short Breaks web page www.hounslow.gov.uk/shortbreaks which ideally the young person will then need to complete (where possible) or with help from an adult. Young people can attach a picture, film, photo or other media to the application form if required to express or support their idea.

Applications will be then presented to the Decisions R Us Panel who will make a decision about each application.

Decisions R Us Panel Dates

15 May 2024 – deadline for applications Friday 10 May

11 September 2024 – deadline for applications Friday 6 September

8 January 2025 – deadline for applications Friday 3 January

If you have any queries, please call the Short Breaks team on 020 8583 3636.

Holiday Activities and Food Programme (HAF) in Hounslow

Children living in Hounslow, aged between 5 and 16 and entitled to benefit related free school meals, are eligible to join the Holiday Activity Fund (HAF) programme for free, and fun activities in Easter, summer, and winter school holidays in 2024.

Children can stay active, make new friends, and learn something new as well as enjoy a free and nutritious meal each day.

More than 2381 children participated in the programme in summer 2023 taking part in a broad range of enrichment activities, including computer coding, outdoor sports activities, arts and crafts, engineering, first aid, trips and so much more!

Children with SEND that attend mainstream schools can take part in most available HAF activities. However, parents/carers are encouraged to ensure any additional needs are shared at the time of booking to allow for the children needs to be catered for - additional needs cannot be catered for with no notice.

Children with an EHCP attending specialist schools, that require additional support can access activities through the [Short Breaks service](#).

Although HAF codes are used through the normal HAF booking system, if your child is accessing Short Breaks sessions, please provide your voucher code to these providers so that additional funds can be allocated to Short Breaks via the programme in partnership with HAF.

If a child is eligible, parents will receive e-vouchers through their child's school by email and text message to enrol in HAF activities. To receive the vouchers, parents will need to be registered with the Hounslow free school meals team: www.hounslow.gov.uk/freeschoolmeals

For more information, support and details of HAF activities for Easter are available on: https://fsd.hounslow.gov.uk/SynergyWeb/Family_Service_Directory/HAF_Programme.aspx

Disability Access Fund (DAF)

DAF is available to support children with special educational needs and disabilities (SEND) in their childcare setting. Childcare providers can receive £615 per year for every child who meets the eligibility criteria.

Who is eligible?

To be eligible children must be:

- aged 3 or 4 years old
- using a funded free early education and childcare place in a registered childcare setting
- in receipt of Disability Living Allowance (DLA)*

What can the funding be used for?

The funding is available to help childcare providers make reasonable adjustments at their setting to improve children's access to funded early education. It will be paid directly to the childcare provider and they will be able to decide how it should be spent. The funding cannot be used towards childcare fees.

Your child does not need to be using all of their funded early education and childcare hours for their childcare provider to be able to receive the full £615 of funding. Please speak to your childcare provider if you think your child may qualify.

Further information on DAF can be found on the Hounslow Local Offer through the following link: www.hounslowlocaloffer.uk

* Many parents miss out on this vital benefit - did you know that you don't have to wait for a condition to be diagnosed before you can claim DLA for your child? You can claim DLA so long as it is clear that there is some underlying condition - whether physical, mental or behavioural - as a result of which your child needs extra care or help in getting around. For more information, visit www.gov.uk/disability-living-allowance-children.

Eligibility Criteria

You will see the table which describes the pathways of need overleaf, on pages 12-13. Below, we have explained how to assess your child's needs in relation to the pathways.

Step 1: Have a look at Band A and see where your child's disability sits in each pathway.

Step 2: Have a look at Bands B and C if they apply. Think about the four dimensions – Communication, Personal Care, Safety and Supervision, Behaviour and Social Integration. If your child meets one or more of the descriptions in either Band B and C, then they are likely to meet the respective pathway.

If you are unsure or if you see that they sit in multiple pathways, please do give the Short Breaks team a call and we will go through it with you on 020 8583 3636.

Things to think about:

Pathway 1: The child will most likely attend a mainstream school and can access most mainstream activities with minimal support.

Pathway 2: The child will either attend a mainstream school (with specialist support) or attend a specialist school and will need some additional support to access short breaks. They may have an Education, Health and Care Plan.

Pathway 3: The child will most likely attend a specialist school and require specialist support to access short breaks. They will most likely have an Education, Health and Care Plan. They will most likely be known to the Social Work team for Children with Disabilities.

The pathway for the child or young person may change at different times throughout their lives as their needs may change.

Services Throughout The Year

Music Therapy – Richmond Music Trust

Richmond Music Trust are offering a slightly adjusted programme to children and families offering both direct contact music therapy sessions and online sessions.

Our online music therapy programme during the summer has been very popular and we have received some lovely feedback from families, which showed clearly that music therapy via video link can really work well for some children. Therapists and parents have been amazed about how effective children can engage in online music therapy accessing one to one and group sessions. As we are still unable to use our usual premises at the Hub, we have decided to offer a mixed programme offering both **online sessions** as well as **direct contact** sessions.

Online Music Therapy Programme on Saturdays

Sessions will be a little different but our therapist Sara Cole will create a fun and child-centred experience including shared musical activities, singing and games. These sessions will be uniquely tailored to your child's needs, choices and ability. We have vacancies for weekly one to one sessions and vacancies in weekly small group session.

Sessions will need to be attended jointly with a parent, carer or sibling so that your child is supported to maintain engagement. If you have musical instruments at home these can be used and the therapists will also provide you with ideas of how to use household items for sound production.

This programme is open to children from Pathway 2 & 3. We accept referrals from those that would like to try out this mode of engagement or continue on from the summer programme.

How does it work?

All you need is a computer (PC or MAC), tablet or Ipad and a reasonably stable internet connection. You will need to install the free Zoom application and we will send you all the info of how to do this. **If you need any help, Joanna Dawson from Hounslow Short Breaks or Andreas Rosenboom from Richmond Music Trust are available to help if required.**

Direct Contact Music Therapy Sessions on Saturdays at Richmond Music Trust, Twickenham, TW2 6RB

The Trust also offers sessions from their premises in Twickenham, TW2 6RB and therapist Muhamad Badry will be offering sessions on Saturdays between 10 and 4pm. We will adhere to social distancing and have a variety of measures in place to assure Covid Safety.

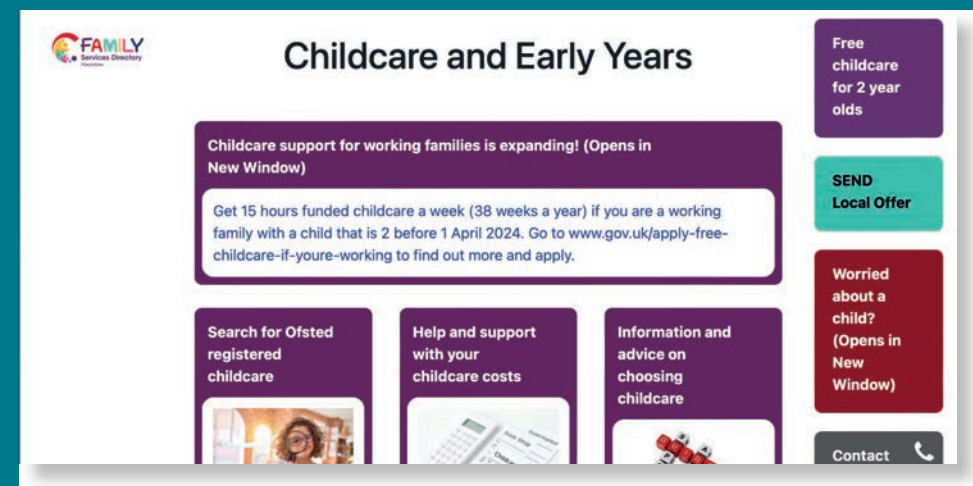

How do I enrol?

Please contact us if you wish your child to access the music therapy programme, by emailing: musictherapy@richmondmusictrust.org.uk

Please let us know if you wish to access the online or the direct contact option.

Childminding – 24 Hours Free Childminding Service

The Short Breaks Service will pay for an introductory 24 hours childminding free. This is an opportunity for you and the childminder to start building a long-term supportive relationship for your child.

A registered childminder is a person who looks after children in the childminder's own home.

Registered childminders are found on the Hounslow Family Services Directory at www.hounslow.gov.uk/childcare. Select the search for childminders button and choose your area. You will see a list of childminders and will need to click on each name to see their full profile.

Some childminders may have listed specific experience they have in caring for children with a particular special need/disability. From this information, it's advisable you then contact the childminder to see if they can accommodate your child's individual

needs along with the hours and days you are looking for.

Once you have found someone who meets your needs, call the Short Breaks team who will organise payment of the first 24 hours directly with the childminder. It will then be down to you to continue any ongoing payments with the childminder for further care.

- Your family/child must be registered with Short Breaks to use this service
- Your child must meet level of need pathway 2 or 3

Services Throughout The Year

Heathrow Gymnastics Club – Play Gym

This service is only available to children registered with Short Breaks up to the age of 7 on pathways 2 and 3.

You can use this service throughout the year, not just in the holidays!

Please note that on arrival parents are required to fill in a registration sheet which will be asked for basic information about their disabled child, including their disability and UIN number. Short Breaks will only pay for the disabled child – any siblings or friends will need to be paid for by the parent/carer.

The play gym sessions are open to children on pathway 2 and 3 up to 7 years old or 130cm (4 feet, 2 inches). Brothers and sisters are welcome to attend but will need to be paid for by the family. Session times below.

There is no need to book the sessions but arrive promptly to make sure you can access the session.
